

Stan Dueck selected as Director of Discipleship Ministries

After interviewing several candidates, Executive Director Pete Kontra and ANE Executive Board member Karen Hackett are pleased to share that Stan Dueck has been selected to fill the role of Director of Discipleship Ministries. Stan is an ordained minister in the Church of the Brethren and is committed to Brethren values. He brings a wealth of knowledge and experience in leadership and church development, working as Director of Organizational Leadership for the Church of the Brethren; Internal Coach and Consultant for the Church of the Brethren; Adjunct Faculty for Bethany Seminary/Brethren Academy/SVMC; and CEO of his own leadership and personal coach consulting business. We believe Stan will bring much value to the ministries of ANE.
