

New to Medicare

Are you new to Medicare or enrolling in Medicare in the next few months?

If so, join this educational presentation by a State Health Insurance Assistance Program (SHIP) counselor from the Bergen County Division of Senior Services to learn about your Medicare options. A Q&A session will follow. Bring your 2026 "Medicare & You" book (if you have one).

**** Please note, this program is intended for people new to Medicare (recently turned 65 or turning 65 years old within the next few months; recently enrolled in Medicare due to disability; or age 65 or older and retiring/leaving work or losing a spouse's coverage). It is not for people who have New Jersey state or New York City retiree medical benefits or NJ Medicaid.***

This event is in person. To register, please scan the QR code, visit ValleyHealth.com/Events, or call 1-800-VALLEY 1 (1-800-825-5391).

Friday, June 26

10 a.m. - Noon
