

DISCUSSION WITH AUTHOR

MIKE KELLY

SUNDAY, NOVEMBER 1ST

AT 2PM
TOWNSHIP COUNCIL CHAMBERS

Please join the Teaneck Historical Society as journalist, author, and longtime Teaneck resident Mike Kelly takes us through his acclaimed new book "Everyday Americans and the Unhealed Scars of 9/11 After Ground Zero". Open discussion will follow.

On September 11, 2001, columnist Mike Kelly crossed the Hudson by tugboat to reach the smoke and rubble of Lower Manhattan. He did not yet know that the crossing was the first step of a decades-long journey through another kind of rubble - the pain left behind, and the scars that never healed. "After Ground Zero" follows first responders, soldiers, clergy and grieving families as they search for answers, accountability, faith.
