

August Conversation Club

Nicole Torres, Social worker
Bright Side Family

Join us for a relaxed and welcoming hour to connect with neighbors, share stories, and enjoy meaningful conversation. Each meeting will feature a different topic, along with fun activities, icebreakers, and open discussion in a supportive and friendly environment.

Whether you want to laugh, listen, share experiences, or simply enjoy good company, this is a space where everyone's voice matters and connections can grow.

Looking forward to sharing the conversation with you!
