## Poncho's Wine Pull

Title

It's been a tough year for **Poncho** and the livestock on the Farmstead with the forced closure due to Covid-19 and the affects of the winter storm, unofficially referred to as **Winter Storm Uri**. Poncho has decided to head up a **FUN**raiser of his own. Our own **Mammoth Jack** plans to be strolling the grounds of the Heritage Farmstead Museum at our annual **Friends of the Farmstead** dinner concert. Instead of being locked up in his pen "**wineing**" about all that noise. He'll be inviting himself to your table and

encouraging you to do a little "**wineing**" of your own. For **\$25** you can choose your own wine off Poncho's designed saddle and join our sweet ass in supporting this community treasure. Only problem is, at 18 years of age Poncho can't purchase the wine for his wine pull. He needs some fancy wine donated to his cause. He could use your help. Poncho's personal ASSistant will be taking your wine donations. Contact Kathy Wilson for pick up or drop off at [kathy@heritagefarmstead.org](mailto:kathy@heritagefarmstead.org) or (972)881-0140
