BOOK KYEA FOR A PRESENTATION!

Promoting awareness, acceptance, and empowerment through community presentations...

Does your group need some education regarding any of the topics listed on the back?

KYEA travels the entire state working to educate Kansans of all ages through a variety of presentations and workshops. Our staff has the experience, knowledge, and passion to speak on a variety of topics related to disability awareness and empowerment!

Presentations are adapted to impact YOUR audience! We speak to groups of ALL ages, abilities, and areas of the state.

These presentations are perfect for:

- Staff trainings
- Business and civic group meetings
- School classrooms
- In-service days
- Conferences
- and Much More!

Presentation Topics:

Disability Awareness and Etiquette:

Learn more about awareness and how to interact with people who have disabilities. This presentation covers various disability etiquette topics such as: proper language, experiences of people with disabilities, interaction tips, personal stories, and much more!

Disability History:

Bringing disability history and pride into the community! Learn what leaders, laws, and movements paved the road to the freedom of our future! Topics include: disability heritage, culture, and the struggles and triumphs that mark our history.

Advocacy:

Gain the skills needed to speak up and advocate in all areas of your life! Learn how to voice your thoughts, wants, and needs to everyone around you. This presentation is perfect for a young adult audience!

Self-Esteem:

Learn how self-esteem can make a difference in your personal, professional, and educational life, as well as on your overall health! Audiences explore their level of self-esteem and how THEY can be proud! Another great one for a young adult audience!

Goal Setting:

Learn how to set goals and achieve them! This presentation focuses on the importance of goal setting, as well as the process of setting a goal. Audience members think about their ideal future, develop a plan, and begin to explore the path to each chosen goal.

Employment Soft Skills:

Soft skills can make or break successful employment! Learn what soft skills will help you be a better employee. Topics include verbal and non-verbal communication, dress attire, time management, boundaries, accommodations, responsibility, and more.

Other Topics:

- Leadership
- Healthy Relationships
- Personal Stories of Achievement and Disability Pride
- And more!
