

# Kansas Youth Leadership Forum Sponsorship Form 2025

**Thank you for considering contributing to the 2025 Kansas Youth Leadership Forum (KSYLF).** KSYLF requires a good deal of volunteer time, in-kind donations, and financial gifts to ensure its tradition of success in building a strong leadership foundation for our youth with disabilities. **Would you please consider contributing a financial gift to our 2025 KSYLF?** Your donation is needed now more than ever as funding cuts have made community support essential!

KSYLF is an intensive five-day forum where youth with disabilities from all over Kansas come to Washburn University to learn about and experience leadership. Large and small groups provide information necessary for each youth to learn and create their own goals related to employment, education, and independence. Delegates also attend a Mentor Luncheon, Day at the Capital, resource fairs, a dance, barbecue, talent show, and more.
