

## WYOMING DINOSAUR CENTER SUMMER 2023 INTERNSHIP PROGRAM

This unique internship allows students an opportunity to dig dinosaur bones in several active dinosaur quarries. You will be trained on the proper techniques of excavation, mapping, and preparation. You will also be working with the public through our many digging programs and giving tours.

**12-week, 8-week, and 6-week sessions available with flexible scheduling. Research projects are also available.**

**PLEASE SEND CV, QUESTIONNAIRE AND APPLICATION TO:**  
[intern@wyomingdinosaurcenter.org](mailto:intern@wyomingdinosaurcenter.org)

**Applications must be submitted by January 31st, 2023**

**Internship starts May 14th through Sept. 15th.**

**Preferred Field of Study  
Paleontology/Geology**

Must be at least 21 years old

Must have a valid **driver's** license for minimum of 2 years

Weekly Stipend
