## MEAL PACKAGING EVENT

For Samarah Joacchim, a 7th-grader in Haiti, school means life and hope for a future. But not just because of the education she will get there. For Samarah, and millions of children around the world, attending school also means she will eat that day.

***“Without food I would be starving and my grades would be lower. Most of us rely on the food served at school to survive; this is the only meal we get for the day. I hope the feeding program will continue.”***

More than 40 percent of Rise Against Hunger meals are distributed to school feeding programs around the world. Those meals encourage school attendance and help put these children and their families on a path out of poverty.

Because of this need, the 199<sup>th</sup> annual Sulphur Springs Camp Meeting is going to kick off a little different this year. We can't just talk about missions and feeding the hungry in the name of Jesus in our sanctuaries on Sunday mornings, we have to actually do it. On **August 5, 2018, members of the Kingsport and Johnson City districts** will package **10,152** meals with Rise Against Hunger, Meal Packaging Event, but we need your help! Here's how you can join in:

**Sign up to volunteer** to package the food or help us in the set-up/clean up. This is a perfect hands-on mission project for youth groups, Sunday School classes, small groups, UMW, UMM, or even families (we will have tasks for everyone, from 5 years old to 95!) You can sign up by letting our chairperson, Michael Vaughn, know directly ([m-vaughn@comcast.net](mailto:m-vaughn@comcast.net) or 423-833-2909), or get a group together in your church and let your pastor know! You can also sign up on the Volunteer Spot link at <https://events.stophungernow.org/SulphurSpringsCamp>

**Donate financially.** The cost to provide 1 meal is only \$0.29! No gift is too small (or too large)--every 29 cents makes a difference in the lives of children and families around the world. If your group raised \$29 you just provided 100 meals!! You can bring your church's gift to the food packing party on August 7.
