

Lead Me to Jesus

Lead me to Jesus
O, Mother Mary dear
Pray for me now
When you are always near
Show me God's mercy
Freely flowing through your grace
Lead me to Jesus
To always see His Face

In a manger lowly
You laid down your baby Son
Where ox and cattle ate
And human hunger won

A flight into Egypt
So very far from home
Your baby boy would travel
Where many sinners roam

Lead me to Jesus
O, Mother Mary dear
Pray for me now
When you are always near
Show me God's mercy
Freely flowing through your grace
Lead me to Jesus
To always see His Face

To Nazareth, a village
He would grow and play
And return again
With the Good News to convey

To Jerusalem while young
You traveled to lose your boy
At the Temple's gathering
You found Him, teaching with joy

When wine was running low
You asked your Jesus' care
To help a bride and groom
Celebrate with you there

Lead me to Jesus
O, Mother Mary dear
Pray for me now
When you are always near
Show me God's mercy
Freely flowing through your grace
Lead me to Jesus
To always see His Face

Show me the face of Jesus
Exhausted, sweat, and blood
Dying on the cross
His mercy became a flood

On that third day morning
An empty tomb's shining light
While holy women mourning
Saw the face of Jesus bright

While holy women mourning
Saw the face of Jesus bright
Lead me to Jesus
O, Mother Mary dear
Pray for me now
When you are always near
Show me God's mercy
Freely flowing through your grace
Lead me to Jesus
To always see His Face
