*See the Face
of Christ.
Be the Face
of Christ.*

OZANAM ORIENTATION

LEARN • GROW • SERVE

An introduction to the Society of St. Vincent de Paul, its mission, spirituality and how we serve our neighbors in need.

Vincentians benefit tremendously from this program because it provides an overview of the history, spirituality, organization, and current endeavors of the Society, as well as an Introduction to the Home Visit. Even experienced Vincentians gain new insights by Ozanam Orientation.

The program introduces existing members, new members, prospective members, and interested parties to the message “who we are and what we are all about” and reacquaints existing members with our “spirituality and heritage.”

**Saturday,
October 10**
