CALLING ALL SINGERS!!! JOIN THE CHOIR!!!

St. Luke Children's Choirs 2024-2025 Season

Welcome to a new and exciting school year! My name is Jennifer Reckamp and I am the K-8 music teacher, as well as the director of two amazing choirs at St. Luke! Our music program is growing at St. Luke School and our choirs are sounding better and better each year. On that note, it's time for your child to start thinking about adding his/her voice to our fabulous choir!

All students in Kindergarten through eighth grade will have the opportunity to sing in the choir. **The Cherub Choir** is for children in grades K-2. This choir will rehearse **every other MONDAY** afternoon from **3:00-3:45 pm beginning Monday, September 9th**. Cherub Choir will sing at our monthly family Masses, at our Christmas Pageant, and at Celebrate the Arts Night in the spring.

The St. Luke Children's Choir is a non-auditioned choir open to students in grades 3-8. This wonderful group of singers adds their voices to our monthly Masses. Choir members will work on basic musicianship skills including part-singing and proper concert behavior/etiquette. While a member of the Choir, your student(s) will not only be singing at our monthly Masses, but will also participate in our Christmas Pageants and Celebrate the Arts Night! St. Luke Children's Choir (3-8 grades) will rehearse **every other Wednesday** from 3:00-3:45 pm. **The first St. Luke Children's Choir will be Thursday, September 7th from 3:00-3:45 pm.** NOTE: When it is closer to a performance, rehearsals for the St. Luke School Choir will be weekly from 3-4 in order to have enough time to prepare.

If your child would like to add their voice to the choir this year, please take a moment and fill out the attached permission form and scan/email it back to me or have your child return it to Mrs. Gattone in the main office.

******PLEASE TALK TO YOUR STUDENT(S) ABOUT BECOMING A MEMBER OF THIS VERY TALENTED GROUP. I AM LOOKING FORWARD TO MAKING BEAUTIFUL MUSIC WITH YOUR CHILDREN!**

Please feel free to email me with any additional questions.
