May 27, 2026

Dear Synod of the Sun, Presbyterian Church USA,

On behalf of the First Presbyterian Church of Victoria, Texas, we write to express our sincere appreciation for allowing Stated Clerk and Leader of Synod of the Sun Rev. Mitch Miller to fill our pulpit on Sundays of May 10th and 17th as well as visiting with members of our area churches and attending a fellowship gathering following the second service.

Through Rev. Miller's message, we were able to learn about the Pan American School located in Kingsville, Texas including its mission, the needs of its students, and the faithful work being carried out there. The school's commitment to Christian Education and spiritual formation is a blessing, and we give thanks for the impact that the school continues to make in the lives of young people and their families.

As a sign of our encouragement for the Pan American School, First Presbyterian Church of Victoria, Texas is donating a check to the school in the amount of \$600 in Reverend Mitch Miller's name. We offer this gift with gratitude for the school's ministry and with prayer that it will help further the mission and work of the Pan American School.

Thank you for your faithful service to the school as well as your dedication to the churches of the Synod of the Sun.

Peace be with you.

Sincerely,

First Presbyterian Church of Victoria, Texas

Chris Neel

Clerk of Session
