

**Contributions to the Missouri Union Presbytery can now be made electronically.** MUP recently established an account with the Presbyterian Foundation which partners with Vanco Payment Solutions to provide another way to make contributions to Missouri Union Presbytery - One Mission Giving. You can continue to make donations through your church or by mail, however, under the current pandemic circumstances these electronic formats may assist you with your MUP contributions during these difficult times.

#### **VIA MUP WEBSITE**

**Donations can now be made by logging on to the MUP website, [www.mupresbytery.org](http://www.mupresbytery.org), and clicking the “Give Now” icon.** You can contribute as a guest or you can set up an account for continued use.

Donations can be made with all major debit/credit cards, or you can also give using your checking or savings account. You can securely store your debit/credit card or checking/savings account information to quickly make future donations. Once your transaction is complete, MUP will receive an automated notification of your contribution and **you will receive an email for you to retain for your records acknowledging your contribution.** It is a very simple, easy process.

Please note, the Presbyterian Foundation charges a 2% administrative fee per transaction. As with many services we all use, there is a cost attached. The fee charged by the Foundation is extremely reasonable for this type of service. When you donate, you will be asked if you want to pay this fee in addition to your gift. This is not expected, but if you would like to, just check the box.

#### **VIA SMARTPHONE**

**As another electronic giving alternative, you also have the option of using your smartphone and downloading the free Give+ Church app.** Give+ Church is available through the App Store and Google Play. Search for “Give+ Church” to download the app, then be sure to allow access to location services if you’d like to use the app’s *Find Churches Near Me* feature.

When you open the app for the first time, you will be prompted to enter the name of the church you want to give to (**Missouri Union Presbytery**) or the zip code (**65109**). You should then see Missouri Union Presbytery, 3236 Emerald Ln, Suite 500, Jefferson City, MO 65109. Once you select a church, it will become your default church and the next time you open the app, Missouri Union Presbytery should be displayed. Use this process to switch between the Presbytery and your church if it is using the same app.

While you can make a one-time donation as a guest, creating an account allows you to access several convenient Give+ features. You can also set up recurring donations or review your giving history in the app. It’s really simple to create an account and only takes a few minutes. You will be asked to enter your email address and create a password.

If using the Give+ Church app, please refer to paragraphs 3 and 4 for information on forms of payment and the 2% administrative fee per transaction.

Please contact the Presbytery office if you have any questions at (855) 635-9221.
