

Music at St. Paul's, 2019 – 2020

St. Paul's considers the concerts performed in its sanctuary, historic rectory and parish hall as part of its outreach mission to the Keys. Taking advantage of its downtown location, the church has become a center for musical events. This year, between November 2019 and June 2020, we are hosting 24 performances for 6 organizations. Note links in red are to information and tickets.
