WHAT OTHERS ARE SAYING

"Working with Cyndi and Darcy helped us get out of our comfort zone about changing our business. We gained critical feedback from our organization, key clients and advisors, which helped shape our plan. Their process drives accountability for success, specifically with a strategic scorecard holding us accountable to execute, that's what differentiates Darcy. Cyndi really helped us focus on our team dynamics and becoming better leaders."

Barb Yearout
PRESIDENT,
CHARD SNYDER

"Our business is experiencing substantial growth. We needed both a strategy and an investment in our leaders. Stretch helped us with leadership development, strategic planning, and team management. Watching the spirit of collaboration and alignment from our group has been so rewarding. The Birkman helped us understand how we each learn and take in information. We also have a clearer roadmap for success across our business units."

Jim Ziminzki
PRESIDENT,
