

STRETCH STRATEGIC LEADERS

STRETCH YOUR IMPACT

A VIRTUAL COURSE TO BUILD LEADERSHIP CAPACITY

There's a new type of leadership – a healthy leadership marking the next generation of successful individuals, teams, and organizations. More than ever, employees want flexibility, collaboration, purposeful work, and true leaders.

The leaders and businesses who understand this are winning with a culture of healthy leadership. Are you and your organization positioned for success? How would your organization be better if every leader had a clear vision?

This four-session, virtual course guides leaders through our strategic process to create a plan for leadership, growth, vision, and goals. From it, you will gain a new perspective, stretch your impact, and maximize your potential. With your **Stretch Leadership Playbook™** you'll have the tools to build a workplace culture where people thrive, leaders grow, and everyone stays!

VIRTUAL COURSE INCLUDES

- ✓ Four, 1-hour live training sessions (recorded, if you miss them)
- ✓ Custom Birkman® Assessment (\$235 value - Industry-leading tool)
- ✓ Trusted Advisor Feedback Report (We ask 3 questions pre-training with names you provide)

- ✓ Stretch Leadership Playbook™ (Your brand, values, purpose, vision, personal SWOT, with Life and Career Goals)
- ✓ Four, 45-minute Q&A sessions (These live group-coaching sessions will answer your questions to move forward)
- ✓ Course workbook mailed to you (Your Personal hard copy to follow along, complete exercises, and track your progress)
