

TEXAS PARENTS ASSOCIATION MEMBERSHIP BENEFITS

All parents and families of enrolled undergraduate students are automatically members of the association, but you must sign up to begin receiving benefits. Memberships are set up per household, allowing one or two parents/family members in the same household to enjoy benefits no matter how many students you have at UT Austin.

- live webinars on student-centric topics
- discounts with local and national vendors
- 5% off at the University Co-op, including textbooks
