ABOUT BLACKHAWKS WARRIORS HOCKEY

The Blackhawks Warriors Hockey team, sponsored in part by the Chicago Blackhawks, is comprised of our veteran soldiers who have been injured in combat. These injured veterans now have a chance to get back to regular life and sports play a big part in this process. We encourage everyone to support the Blackhawks Warriors by coming out to their games and events and cheering them on to victory or by contributing in some way so that these heroes may participate in the game we all love.
