The Ohio Valley's SUPERIOR Tent & Event Rental Company

WHAT MAKES US A CUT ABOVE THE REST:

We have been a locally owned and operated business for 41 years. Our Event/Party manager has 35+ years of experience helping customers create their picture perfect event. General Rental, Inc. provides the finest quality products for all of your party and event rental needs. We offer the largest selection and most current styles of tents and event equipment in the Ohio Valley.

Delivery and pickup is available on all orders. We will deliver on time, on the day we promise. Our products are delivered in an enclosed box truck ensuring the products arrive to your event clean and dry. Our installers are trained and will arrive in uniform.

All of our tents are white "wedding" or "A" quality. Our tents are cleaned in a tent washing machine to ensure a gray/dinge-free top. Our tents are also hand cleaned throughout the season. If a tent is taken down wet, it is wiped down and hung to dry at our facility. This ensures a clean and mildew-free tent. We continuously purchase new tents to keep our inventory to the utmost quality.

Our tables are wood with a polyurethane top which creates a super smooth, shiny finish. This gives you the option to utilize the table without the need for any cover, cloth, or linen. Our tables also have a smooth metal edge to prevent broken corners or edges. We continually purchase new tables to keep our inventory updated.

While most others rent a metal frame folding chair, in which the painted frame scratches and then rusts; our chairs have an aluminum frame, providing a rust-free look. All of our chairs are cleaned in our "chair washing machine" and we also inspect and replace the chair feet to prevent rocking/sinking and damage to floors. Our white garden chairs are "wedding" or "A" quality. They have a resin frame & back with a 1/4" padded seat. Our garden chairs are hand washed and the chair cushions are inspected and replaced if damaged.

We know that we're not the cheapest option in the market, but we make up for it by providing our clients the best service and products. All of this why the Ohio valley has trusted us for over 40 years with their most important events!
