

2023 Northwest Oregon Subsection AWWA Waterworks School for Water Operators, Engineers and Managers

June 20, 21, 22, 2023

Operator Scholarship Application

Thank you for applying for an Operator Scholarship to the 2023 Waterworks School sponsored by the Northwest Oregon Subsection of AWWA. The AWWA Water Equation and PNWS Education & Training Endowment have teamed to provide up to 150 scholarships for 2/3's of the registration fee for water operators for this training event. You do not need to be a certified operator to get a scholarship. Scholarships are open to anyone who works for a utility or other entity who is "in the trenches" so to speak, working on the production and distribution of potable water.

We need you to complete this scholarship application form and email it to: Jeff Lundt – jeff.lundt@kingcounty.gov within 7 calendar days of registering. **Deadline for submitting scholarship applications is COB Monday May 1st 2023.**

If you have any questions, please contact Jeff Lundt at jeff.lundt@kingcounty.gov or 206-477-5582.

Also, your scholarship includes a one-year membership to AWWA so that you can use all resources and become involved in your local Section.

Name:	Application date:
Utility:	
Address1:	Address 2:
City/Town:	
Email:	State & Zip code:
Position:	
How did you hear about this training & scholarship? <input type="text"/>
