From the Pastor *By Pastor Gretchen J. Bingea*

We all know that death is coming to all of us, someday. But it's not a topic we like to talk about. Even when it's imminent.

Sherwin Nuland, a surgeon and writer, described his family's reaction to the approaching death of his Aunt Rose: "It was like the old scenario that so often throws a shadow over the last days of people with cancer: we knew—she knew—we knew she knew—she knew we knew—and none of us would talk about it when we were all together. We kept up the charade until the end."

The good news is, it doesn't have to look like that for you and your family. You have the opportunity to initiate difficult conversations right now that will give everyone peace of mind when death comes. Which is why I hope you will join me for a wonderful workshop Immanuel is hosting **June 14-15** called **"Estate Planning for the Heart"** (see page 2). This isn't a workshop about getting your financial house in order. It's about attending to spiritual matters of the heart by looking at end of life decisions from a faith perspective. As Christians, our faith frees us from apprehension and fears about death as we trust Jesus who said: "I am the resurrection and the life. Those who believe in me, even though they die, will live, and everyone who lives and believes in me will never die" (John 11:25-26).

Jesus doesn't take away those difficult goodbyes we have to go through when we lose someone we love. He can't protect us from death. But he can take away our tongue-tied fear, so that we can talk with one another and encourage each other in the hope and promise of resurrection.

Oh God, you are the source of life and the ground of our being. By the power of your Spirit bring healing to this wounded world, and raise us to the new life of your Son, Jesus Christ, our Savior and Lord. Amen

Adult Forum June 2nd “Spirit-Led Healing in Mental Health”

Pastor Kelly Loy will be inviting conversation about common mental health challenges on Sunday June 2nd in the library following the 9:30am worship. She will talk about how the medical model and traditional psychotherapy view and treat concerns like depression, anxiety, or grief. In contrast, Kelly will introduce Internal Family Systems theory (IFS) and how the Holy Spirit meets us and helps heal those same concerns from the inside out. If you or someone close to you struggles with mental health challenges, or if you simply are curious about how to add support through Immanuel's ministries, this conversation may bring a new sense of hope!

Pastor Kelly Loy, LAMFT, LPC, NCC, MDiv, RN, is a trained psychotherapist doing pastoral counseling in Boise and Mountain Home.

Estate Planning for the Heart June 14-15, 2019

A workshop to examine end of life issues and decision making as persons of faith

Former Immanuel member and now Pastor Anne Palma from Our Savior Lutheran in Twin Falls and Penelope Smith from Trinity Lutheran in Nampa will present Estate Planning for the Heart, a program sponsored by our Eastern Washington Idaho Synod for end of life planning. The program will be Friday night June 14th from 6:30-9:00pm and continue on Saturday June 15th from 9:00am-2:30pm in Immanuel's Thomas Chapel. Topics will include how to initiate difficult conversations with your loved ones; medical care and treatment decisions at the end of life; medical advance directives (Living Wills, Durable Power of Attorney for Health Care, and Idaho Physician Orders for Scope of Treatment – POST form); clarification of values and priorities as end-of-life approaches; funeral planning; and how our Christian faith influences our living and our dying. Anne Palma is a retired hospice physician and Penelope Smith is a retired gerontological social worker. This is a wonderful opportunity to provide peace of mind for yourself and your loved ones, knowing you have made plans regarding end of life issues. Sign-up at church in the Hospitality room or call the church office (208-344-3011) to register.

Exploring Membership

Pastor Gretchen will be leading a five-week new member class beginning on June 9th on Sunday mornings at 10:45am in the Library. We will use the resource “Baptized We Live” to discuss the foundations of Lutheranism. In addition you will have the opportunity to learn more about Immanuel's ministry and our denomination, the Evangelical Lutheran Church in America (ELCA). If you have been worshipping at Immanuel and would like to explore becoming a member, or just attend the class to learn more and get to know others, please be in contact with Pastor Gretchen (pastor@ilcboise.org).

Bringing Communion to the Homebound

Pastor Gretchen is recruiting people to serve as Eucharistic ministers. These are people who bring Holy Communion to those who are homebound or hospitalized so that they, too, might be fed with forgiveness and strengthened for a life of faith. Anyone interested in

this ministry is invited to attend a training session on June 13th from 1-3pm. Please contact Pastor Gretchen (pastor@ilcboise.org) if you are interested.

Build Us Up, Lord!

By Renée Bergquist, ReJuv Committee

As we communicated in our April *Inside Immanuel*, we completed the **Build Us Up, Lord!** project at \$1,349,522 which was just slightly under our final estimate of \$1,350,000.

We had approval to borrow \$645,000 and due to our generous members and friends, our final loan balance was considerably less, at \$347,129. We had paid \$4,112 in Interest through April 30, 2019. As of April 30, 2019, we had \$80,000 in a MIF reserve fund for payment of one year of loan payments and we also had \$28,404 in cash received.

Our monthly loan payments of \$3,563 began May 1, 2019. On May 9, we reduced the loan Principal by \$62,380 using the **Build Us Up, Lord!** cash on hand and reducing the Reserve to \$45,000 to cover one year of loan payments based on the new monthly loan payments. Our current Loan Balance is \$284,748 plus monthly interest of \$1,182.

Through our **Build Us Up, Lord!** Capital Campaign we have received over \$1,113,260 through May 19, with \$145,636 in pledges still to be received. Our current gap is \$90,989 between funds given/pledged yet to be received and the final project cost, not including future interest beyond May.

We have extended our capital campaign to a fourth year and we will continue to provide on-going updates on our loan and capital campaign status.

Build Us Up, Lord! Financial Summary May 19, 2019

Summer "Fix-It" Projects

With the completion of our remodel, it is time to spruce up other areas of our church. Most of the projects involve painting. We will have the necessary supplies for anyone who wants to help at any time during the summer. The areas that we have identified to "fix" are: varnish benches, paint exterior wood eaves, repaint or touch up doors, refinish exterior doors, touch up paint on rail and font, supply and plant red flowers in time for Pentecost. Also, with the addition of central air in the office area, we would like to remove the window air conditioners. If you are able to help with any of this, just stop by the office between 9am and 2pm Monday-Thursday after June 1st, choose a task, and we will provide you with what you need to work on or complete the task. If you can help at a different time or have questions, please contact Matt Christman at custodian@ilcboise.org or Carolyn Korn parishadmin@ilcboise.org to coordinate!

The day camp dates are July 28-August 2. Kickoff will be after Shepherd of the Valley's 10am worship service. Monday – Thursday the camp will be from 9am to 3pm, Friday from 9am – 12pm

Congratulations to our Seniors!

Jackson Busch

Jackson is graduating from Timberline High School and plans to study Mechanical Engineering at Boise State University. During his time at Timberline, Jackson has been active in Track and Cross Country with awards in distance running. Jackson also achieved Eagle Scout and continues to love camping and spending time in Creation. Jackson loves riding dirt bikes and racing remote control cars. Jackson's favorite memories at Immanuel include lock-ins and summer mission trips. Jackson is looking forward to living on campus and building and creating new things.

Eric Johnson

My favorite memories of Immanuel are the mission trip to San Francisco, and Luther Heights Bible Camp. I will be attending Montana State University in Bozeman, MT, this fall and plan to major in something environment-oriented. I absolutely love the outdoors and can't wait to go camping, fishing, and skiing outside of Bozeman.

Grace Johnson

Immanuel has been an incredibly great environment to grow up in. The congregation here has taught me to love and welcome strangers, and to always support others in times of need. My earliest memory is being in the day care area in the basement and being fed copious amounts of goldfish crackers. Being a snack lover, I knew from that moment that this place was my home. I also fondly remember confirmation with Amanda, and Grace Saathoff standing on chairs to loudly exclaim her thoughts and make us all laugh. I plan to attend the University of Idaho next year, and am comforted in knowing that I will always have a home here at Immanuel.

Isaac Levi

I came from Liberia with my family and started school at Taft elementary. Just like any kid, I went to school as well as played soccer. As I grew up, I got more involved in my church and my community. Now I am about to graduate from Boise High School and plan to go to CWI. I would like to major in civil engineering or design, and can't wait to see what the future brings.

Endowment Fund Update

By Ken Reynolds

Immanuel has had a Mission Endowment Fund since January, 2000.

Church endowment funds exist as a way of preserving mission and ministry for the future. They provide an important message that says the church is here to stay: God's work goes on. Endowments are usually funded by future planned gifts through the use of Wills, Trusts, and beneficiary designations that specifically identify the Endowment Fund as the recipient. The moneys received are pooled together and a percentage is distributed annually to selected areas of ministry. Contributing to an endowment provides a way for faithful members to leave a heritage for future generations and share God's gift of love with all.

Endowment funds are different from memorial gifts (which are given in memory of a person who has passed away and are used for specific items or ministries within the church). Endowment funds are also different from windfall gifts which are large, undesignated gifts of \$20,000 or more. Unrestricted gifts of less than \$20,000 are used to meet the needs of the Church as determined by the Church Council.

In April, the Church Council appointed a new Endowment Fund Committee consisting of: Renée Bergquist, Les Gieselman (Council Liaison), Jerry Healy, Linnea Lovlien, Karen Martz, Ken Reynolds (Chair), Don Stensaas, and Pastor Gretchen Bingea.

The Committee is meeting now to develop plans to reinvigorate the Immanuel Mission Endowment Fund and update the policies and procedures. More information about the plans for the fund will be made available as the Committee completes its work. If you would like to know more about how you can participate in growing the Mission Endowment Fund, feel free to contact Pastor Gretchen, Ken Reynolds or any other member of the Committee.

Acoustic Alchemy Studio Outreach Update *By Renee Bergquist*

I love music! I love to hear the heart and soul of a musician come through in notes, chords and harmony. Over the last year and a half, the little chapel I worship in most Sunday mornings has opened its doors for evening concerts and hosted some incredibly talented musicians. Each of the concerts, I've attended has reached my heart.

The Mission of the AAS Music Ministry is "To reach people beyond our own congregation who might never consider walking through our doors for a worship service or any other ministry that Immanuel offers." Our financial goal is a self-sustaining ministry. If the AAS music ministry becomes profitable, a portion of the profits will be used to fund youth ministry activities at Immanuel or in the Treasure Valley.

The outreach has not been easy. We've struggled to raise attendance and keep seed money flowing but each concert experience has reaffirmed our Mission as new people have walked through our doors. I volunteered to help AAS write a grant request for assistance from the Eastern Washington-Idaho Synod Help and Response Endowment (SHARE). We submitted our Grant on Monday, May 13 and waited for the results. On Friday, May 17, when the audience sang along with Leroy Bell in a song about love, I felt the presence of the Holy Spirit at work in a new way in that historic chapel. On Saturday, May 18, we learned, our request had been awarded and we had received \$5,000 to continue to pursue our mission. I believe that by opening our doors and providing a welcoming, hospitable and inclusive gathering place in our neighborhood, we can expand the reach of our Purpose to "Share God's Gift of Love with All".

Thank you to all who have worked hard to continue to believe in the power of this ministry. Thank you for volunteering your time, for posting posters, for attending concerts and for sharing God's gift of love with all.

(A Storytelling Workshop and Event at Trinity Lutheran Nampa)

You are invited to a faith storytelling workshop and evening storytelling event at Trinity Lutheran Saturday, July 27 from 1-7pm. Learn the art of faith storytelling from ELCA Pastor Jodi Houge and Presbyterian Pastor Phil GebbenGreen. The workshop will take place from 1-4:30pm. We will feed you dinner and then have an evening of storytelling. The event is FREE thanks to the Clergy Renewal gift given to Trinity Lutheran from the Lilly Endowment. Please RSVP by July 17 so we have enough food. Trinity members, sign up in the narthex beginning June 9. ELCA Treasure Valley Cluster members, please email churchbiz@msn.com.

Jodi Houge was raised by North Dakota potato growers. Incidentally, she likes watching things grow. In 2008, Jodi started Humble Walk Lutheran Church in a coffee shop during her last year of seminary and has been running to catch up with where this community leads her ever since. Humble Walk is filled with people on the last train out of Christianity-who have decided to give it one more go. Being the pastor of this new church plant provides stories of hope every single day. She spends a good deal of time drinking coffee and observing life in the West End of St Paul, MN--where she lives with her husband and 2 offspring. Her friends would describe her as a good eater.

Phil GebbenGreen is a Co-Pastor with his wife, Julie, at Edgcombe Presbyterian Church in Saint Paul, Minnesota. They have three teenagers who are freakishly tall and typically stubborn. Phil teaches the Enneagram personality system in a Women's Prison outside of the Twin Cities. He likes crazy Bible talk, chainsawing, and reading Fantasy literature.
