LANGUAGE FOR ALLY MEMBERS TO INVITE CLIENTS TO AI WEBINAR

Dear [CLIENT NAME],

You may be aware that our firm is a member of Ally Law, a global network of 80 law firms aimed at providing high-quality legal counsel around the world.

On March 6 &7, Ally Law is offering a complimentary webinar, “AI: Current Regulatory Landscape and Corporate Impact Across the Regions.”

Distinguished members from China, Japan, Australia, the UK, France, Argentina, and the USA will give their perspective on local regulations, either pending or in place, and how clients can take a practice approach to their related legal issues.

If this is of interest, please find an invitation where you can register here.

And, of course, if I can assist you with any related issues, please don’t hesitate to let me know.

Best Regards,

[LAWYER]
