Commercial Truck Driving

PREP COURSE

Come get hands on training for pre-trip inspection of all items using Section 11 of the Georgia Commercial Driver's Manual. Students will review the six basic driving maneuvers and practice each one.

- This course does not teach you how to drive. A Class A or B permit is required and a D.O.T. physical card may be required. The Commercial Driver's License (CDL) Skills Test is scheduled when the training is complete.

ADVANCED PREP COURSE

This course is for those that need extra training with hands on maneuvers and pre-trip inspection before they take the Commercial Driver's License (CDL) Skills Test. If you have been out of work or haven't driven in a while, this class will help you get back in the driver's seat.

- This course does not teach you how to drive. A Class A or B permit is required and a D.O.T. physical card may be required. The Commercial Driver's License (CDL) Skills Test is scheduled when the training is complete.

COMMERCIAL DRIVER'S LICENSE

The C.D.L. test consists of 3 parts as outlined in the Commercial Driver's Manual.

Part 1 - pre-trip inspection of the vehicle

Part 2 - backing maneuvers

Part 3 - road driving.

- All written tests for the desired vehicle or endorsements must have been taken and passed at the Department of Motor Vehicle (D.M.V.) before taking the skills test.
