

## YOU CAN MAKE OUR COMMUNITY SAFER

- ✓ **Drive with care and **slow down**.**
- ✓ **Follow traffic laws**, including speed laws and no texting laws.
- ✓ **If you plan to drink, don't drive.** Period. Plan your safe ride home beforehand.
- ✓ **DUI doesn't just mean alcohol.** Prescription drugs with warnings labels about driving, and marijuana, especially in combination with alcohol or other drugs, can also impair driving and result in a DUI.
- ✓ **Report impaired driving.** If you see an impaired driver on the road, immediately call 911.
- ✓ **Help educate others**—your neighbors, family, new drivers—by sharing safe driving tips.
- ✓ **Take personal responsibility** for the safety of our community because the safety of our community is personal. Your actions could help save your life or the life of someone you know.

**TO REPORT A CRIME IN PROGRESS OR SUSPICIOUS ACTIVITY**  
**Emergency: 911 or 916.362.5111 • Non-Emergency: 916.362.5115**
