

# Christmas in Cordova

December 16, 2017

This one-day, family event will be held at Mills Middle School and is designed with the simple premise that “every child deserves to have a present to open at Christmas.” There will be a shopping mall full of donated new toys provided for parents to select and wrap for their children. Childcare is provided for young children while parents are shopping as well as fun and games for older children to enjoy. There will be an arts and craft area, Santa will be making an appearance, and a meal will also be provided for all families who attend.
