Lake Buena Vista, FL

Campground Operators & Managers

Why Should You Attend?

This conference is planned with **YOU** in mind - campground owners, operators, and staff!

In addition to valuable educational sessions and networking opportunities, the conference offers something just as important: a **chance to relax, recharge, and have FUN!** Step away from the day-to-day pressures of running your business and spend time with others who understand your challenges, share your goals, and are committed to building successful campground operations.

Whether you're looking to gain new ideas, make meaningful connections, or simply enjoy time with people who understand your world, this conference is for you.

Join us for the enjoyment, education, camaraderie, and support that make our campground industry stronger! The Campground Conference is happening **February 25-27, 2027** at the **Wyndham Garden Lake Buena Vista Disney Springs Resort Area** in the Greater Orlando area of Florida.

The **trade show** will be held on Thursday, **February 25th** and gives you access to the newest products and best services specifically targeted to RV parks and campgrounds.

We are planning to offer **9 educational seminars** with speakers experienced in their fields presenting timely topics both motivational and relevant to the outdoor hospitality industry.

On Thursday evening, **February 25th**, we will hold the conference banquet with a fundraising auction. We invite everyone to join us to celebrate the friendships both old and new. Help us make the auction a success! We're seeking auction donations - bring a fun item, or an item unique to your area, or a certificate for services.

Early registration for the full conference package is only \$300.00 per person. After February 19, 2027, the registration fee rises to \$350.00 per person. You can also choose day rates if you can't attend the full conference. All other expenses are paid through exhibitor fees, donations, and sponsorships. **Attendance at the conference is a tax-deductible operating expense.**

I look forward to seeing all of you in the sunshine state!

Sincerely,

Joann DelVescio
