

INDUSTRY SUPPLIERS - We're Tagging You With An Invite!

Each year, New Jersey campground owners come together to share new ideas and inspiration, and explore regional campgrounds and local attractions. This year we're gathering in the **Greater Atlantic City Region**.

Sponsorship helps defray the costs for NJCOA and attending park operators, and gives your company exposure to customers with your special listing in the program book and other on-site marketing materials. Plus, if you can **join us in person**, you will have the opportunity to enjoy the company of the campground operators in attendance, thereby increasing your business contacts and enhancing relationships.

Please complete the form below and return it to the NJCOA office by September 21, 2026. If you have any questions or need additional information, please do not hesitate to call or email the NJCOA office at (609) 545-0145, joann@campnj.com.
