

“See and Be Seen”

March 2-4, 2026

Lake Buena Vista, FL

Campground Operators & Managers

Plan To Attend and Register Now!

This is the place for stakeholders in the outdoor hospitality industry to “See and Be Seen.” Join us March 2-4, 2026 at the Wyndham Garden Lake Buena Vista Disney Springs Resort Area in Florida.

During the 35th annual conference you and your employees will be able to network with peers and learn skills that are essential to making your campground successful. The **trade show** will be held on Monday, **March 2nd** and gives you access to the newest products and best services specifically targeted to RV parks and campgrounds.

We are planning to offer **9 educational seminars** with speakers experienced in their fields presenting timely topics both motivational and relevant to the outdoor hospitality industry.

On Monday evening, March 2nd, we will hold the conference banquet with a fundraising auction. We invite everyone to join us to celebrate the friendships both old and new. Help us make the auction a success! We're seeking auction donations - bring a fun item, or an item unique to your area, or a certificate for services.

Why should you attend? The conference is planned for YOU - campground owners/operators and staff. One of the key takeaways, in addition to important education and networking, is that you can just have FUN away from the pressures of running your business, surrounded by people who have the same challenges and goals for running a successful campground operation. We encourage you to be there for your enjoyment, education, and the support of the industry.

Early registration for the full conference package is only \$275.00 per person. After February 20, 2026, the registration fee rises to \$325.00 per person. You can also choose day rates if you can't attend the full conference. All other expenses are paid through exhibitor fees, donations, and sponsorships. **Attendance at the conference is a tax-deductible operating expense.**

I look forward to seeing all of you in the sunshine state!

Sincerely,

Joann DelVescio
