

2021 Oral Health Hero Awards

Help us celebrate the amazing work to improve the oral health of Santa Cruz County by submitting your nominations for our 2021 Oral Health Heroes.

Successful nominees will have gone above and beyond in their passion for expanding access to oral health care. Nominees should demonstrate an outstanding personal commitment to improving oral health for the under-served. Awards will be given in two categories:

Dental Professional:
The awardee works to provide access to oral healthcare and can be a dentist, specialty care provider, hygienist, assistant, or front office professional.

Non-Dental Professional:
The awardee works to increase understanding of the importance of oral health and works in public health, non-profit, education, or medical setting.

Both nominees must further the goals laid out in the Santa Cruz County Oral Health Strategic Plan, found here: http://oralhealthscc.org/strategic-plan
