Additional Notes:

PAB requests that your station run 4x spots per week, per ISCI code, M-Su 6a-12a, allocated to all dayparts. As always, we are grateful for any contribution that your station makes.

- Please return affidavits via your EDI provider. If you send EDI, there is no need to send paper invoices. If your station does not participate in electronic invoicing, please email or mail the station affidavit at the end of the month.
- Questions? Contact PAB’s Carter Wyckoff at cwyckoff@pab.org or 717.482.4820.

Pennsylvania Association of Broadcasters (PAB) has registered to receive e-invoices via **the four largest EDI services** and is requesting that you start providing invoices electronically, via one of these e-invoice services.

This is a free service, which allows you to use the most convenient e-invoicing service for you and your station.

It is our hope that this service will save you both time and money. Please choose your preferred EDI service below and add the corresponding PAB vendor code to begin transmitting invoices electronically.
