Contact Jane Rogers: 610.287.1200 | [jrogers@peacefulliving.org](mailto:jrogers@peacefulliving.org)

### What is a Direct Support Professional (DSP)?

A DSP works directly with those we support - individuals with intellectual and developmental disabilities. They work in our Residential, Family Services, and Day Programs to connect the skills and passions of our individuals with activities that help them achieve their goals.

### What's the biggest requirement to become a DSP?

Not a Bachelor's degree – but instead, the heart to help our people connect their passions with the community.
