## **Quick Connection Call Line**

### **Why call Quick Connection?**

To consult with a specialist about your role in promoting early relationships and supporting early development; to receive support in your work with families of infants and very young children; to make connections and referrals with other early relational health professionals

### **Who can call Quick Connection?**

All professionals in the early relational health workforce: child care providers, early educators, early intervention providers, child protective workers, mobile response specialists, clinicians, home visitors, family support professionals, doulas, community health workers, and any other professional who supports early relationships

### **When can you call Quick Connection?**

Monday through Friday 8:00 am - 8:00 pm  
Voice mail is active in evenings and weekends

*Content knowledge, consultation, and systems connection for the workforce who support early relationships*
