Hey everyone!

Welcome to the month of April. This month is one of my favorites, and that's no April fools' joke! Not only is April Fools day one of my favorite holidays (surprise surprise), but there's also several holidays about Autism, making it an (un)official Autism Awareness Month! As someone diagnosed with autism, that matters to me a lot!

Last month in our regional meeting we marched through March, we talked about the statehouse legislative reception, we had some sports updates from Tim, and in general had a good time with Madlibs and some excellent conversation about disability awareness and what it means to us. Below is a word bubble all about what we talked about that day!

Speaking of awareness, as I said before:April is Autism Awareness month! The 21st Annual Autism Advocacy Day, hosted by the Arc, is to be held Wednesday, April 8, 2026, from 10:00 to 11:30AM in the Great Hall of the Massachusetts State House. While I cannot make it there myself that day I very much encourage you and anybody else who can make it to come around and check it out! (As always, not a requirement but very much appreciated if you do!) For more information, check out the link below.

https://thearcofmass.org/event/21st-annual-autism-advocacy-day/

I am taking some time off from April 5th to the 11th, so I will be unable to answer emails in that time, but please feel free to send an email anyway to let me know how the event went!

The next Northeast meeting will be April 15th, from 4-5:30pm. Next Statewide Drop-Ins are:

- Thursday, April 9th from 5:30 – 7:00pm
- Wednesday, April 22, 4:30 – 6:00pm

Hope you have a wonderful Earth and Arbor day and I wish you all the best. Thanks for being you, and I'll see you when I see you.
