katie.briedis@wearemass.org

Happy Spring Southeast Region! Welcoming April with all the new beginnings that this season brings - new baseball season, new wildlife and flowers, and fresh ideas for MASS!

Image description: A field of purple tulips with a line of red tulips behind them. There are mountains in the background and blue skies.

We had our first monthly meeting with our new Regional Program Coordinator, Katie Briedis, and we are looking forward to working together to build our Southeast supports and connections.

Many supporters attended the annual legislative day at the Statehouse advocating for the things that are impacting our region as well as celebrating the incredible achievements in our community. The speakers were amazing and attendees visited their local legislators to make our voices heard! Keith Jones was the keynote speaker and the legislative award recipients were State Senator Mike Barrett and State Representative Christine Barber. Check out their speeches and video of the event here:
