Hi Everyone,

Metro is underway with planning a small in person meeting to mail out flyers for outreach.

The group will meet in person for the regional meeting on December 16th 1-3 PM to mail out flyers as part of our outreach efforts. Holiday cookies and hot chocolate will be provided at the meeting. The room will accommodate a small group, with social distance measures and we ask

self-advocates to wear a mask. Please **RSVP by December 10th** to valerie.horn@wearemass.org if you want to attend.

We have some very active members within Metro who help with many different things. I want to thank them for their involvement.

On Monday November 22, Anne and Kim gave a testimony along with another board member, about Supported Decision Making to the Committee of Children, Families and Persons with Disabilities. Thank you both for your time and commitment to this cause!

Matthew and Kim have been very involved with Legislative Advocacy- working with Valerie on outreach for the Media to get attention for Stop the Shock.

Kim has been involved with planning for Leadership Summit, which will take place on December 4th, from 11-4 PM.

Have a great Holiday!
