Happy November Southeast Region!! Hope everyone is having a nice fall! Welcome to our new members and those returning! It's been wonderful to see all of you and partner with you to plan events and collaborate on advocacy ideas.

We had a fun meet-up at Borderland State Park over the summer where we hiked and cooled down with a sweet treat! Thanks to everyone who made it and if you could not make it, no worries because we are planning another in-person meeting just around the corner :) In the meantime, we have our monthly meeting with our Regional Program Coordinator, Katie Briedis, on November 30th from 6-7:30pm and we are looking forward to continuing our work together to build our Southeast supports and connections. The Eventbrite registration link is below and you will receive the zoom link once you register:

Any suggestions for our next in-person event - please reach out to Katie at katie.briedis@wearemass.org as we start to get more things on the calendar. Hope to see you at our next zoom meeting!
