

Northeast Region

Welcome to August, folks!

Did you know that August isn't just a month, it's also a word that means "marked by majestic dignity or grandeur". That's a fancy way of saying something *is* fancy. For example, we had a wonderful time at the august ceremony of going to ADA day in Boston this year!

That's right! Me and Daysiree went to Boston and represented the Northeast as best we could. The free hotdogs certainly helped! It was a great time and despite many of us in the Northeast not being able to make it we did our best to help represent!

The last regional meeting was largely spent prepping us *for* ADA day, but we did do some Jeopardy. Folks did a

great job with it!

This month of August has one big event that I'm happy to talk about! We're returning to Deer Island!!! Woohoo!

Take a look below. It's a wonderful time with fishing, pleasant views and amazing people. Me and Daysiree will be there hosting the MASS table as always!
