Central Update for July

Happy July from Central! We hope you are enjoying these summer days! We hope to take advantage of the warm weather to connect in person and also to continue our zoom meetings during the summer months. Our June Drop-In Club theme was painting and games!

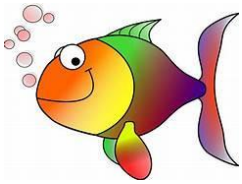

We played “name that fast food restaurant” and talked about summer memories and upcoming plans.

We ended June on a busy note, with Jason and Beth giving great performances in their play Guys and Dolls"!

Some of us also attended the North Central legislative dinner on June 22nd. Congratulations to the West Region on their Self-Advocacy Conference on June 24th! In July, we will continue to join in the many statewide and national advocacy opportunities. Join us for Art in the Park on July 11th at Regatta Point Park. Artist Kim Wood came up with the theme "hooked on self-advocacy"!

We will have lots of fun with this theme throughout our summer activities. We also hope to work with Benji Kemper on transportation stories. July will also give us a chance to plan for our annual summer cookout in August!

Happy July from Central Region! Let's get hooked on self-advocacy!
