Happy New Year Metro! We did it, we made it through another year! Woohoo!

What is something you're proud of yourself for accomplishing this year? Remember, there are little victories worth celebrating just as much as your bigger goals. I am proud of our region as a whole for making it through this year!

As we look back on the year 2024 some moments stick out in particular, like our meeting at Beaverbrook Step in June, and our Conference in October. Those were both really great examples of when we came together as a region to celebrate one another in person!

We've got so many good memories from our virtual regional meetings too; like in December when our very own Mr. Transit (Adner) randomly picked a question about transportation during our Winter Jeopardy Game haha! Do you know the answer? It's trains.

The Polar Express is about what kind of transportation?

(Here's the question itself from our game.)

With a new year comes a fresh start! You can set new goals for yourself, or try again. It's not about being perfect, but not giving up on yourself! Have a wonderful new year  
Metro!
