

Northeast Region

Coordinator: TBD

Email: info@wearemass.org

Hello Northeast Region, and welcome to the final month of Summer! Can you believe how quickly time has passed? It is wild that Fall is already around the corner.

As a reminder, the region will be taking the month of August off. This is to give everyone a chance to celebrate the last moments of summer, and take a well deserved break! That means there will be no regional meeting in the month of August.

The region plans to return in September and looks forward to it!
