Happy Summer Northeast, June is finally here!

All of us in the Northeast Region are happy to welcome the month of June, and with it the beginning of summer! This month reminds us that our goal of having an upcoming in person meeting is not so far off. You'll want to join us at our monthly regional meeting where we will continue planning for our in person event this July! Here's the Zoom information:

We are also happy to report that going forward our region will hold a drop in event the last Wednesday of every month. Drop In meetings are a great opportunity to get connected to our region in a more relaxed way. Our Drop-In meetings focus on coming together as a region to have some fun! We always welcome new members, or even those who are new to learning about self advocacy! You are welcome here! A yellow icon of a heart with a small crown on top.

This past May we had our Annual Conference, and it was so much fun! Being able to connect as a region is always such a wonderful experience. A special shoutout to our regional

president, Sam Muench for winning the Nancy Maynard Leadership award at our conference this year! We are all so proud of you Sam, and all the work you do for our region! Here is a picture taken from the conference

It is beautiful to watch our regional family grow, and continue to make new memories together!
