Happy March! Looking forward to leaving these snowy days behind and welcoming spring! This February in our regional meeting the Southeast region had the opportunity to get to know each other better and build relationships which are so important for our advocacy work.

We had a very busy month preparing for our amazing annual conference! Special shout out to all of the members of the Southeast region who participated in the conference and helped make it so amazing.

In March, we are looking forward to the legislative reception on March 9th. We also look forward to our regional meeting on March 28th at 6PM. Please contact Sarah at sarah.binney@wearemass.org with any questions, ideas, or just to check in!
