

Central Update for June MASSFLASH

Happy

June! Hope you are enjoying the arrival of summer!

We are looking forward to having an in-person meeting at Regatta Point Park on June 14th (rain date June 26th). Artist Kim Wood will help us create some art for Worcester's ADA celebration! The theme is "what does home mean to you?" Pizza is included. Please RSVP to Sue:

sue@wearemass.org

May ended on a busy note! On Tuesday, May 24th guests came to our regional meeting to talk about health advocacy and to play a healthy self-advocates game.

We really enjoyed it!

At another Central meeting we talked with Human Rights Specialist Leo about the RIGHT OF THE MONTH we have been working on: *Privacy and Respect*. We also talked about making our own decisions including where and how we want to live. We hope to put together a presentation for DDS Service Coordinators with Leo.

In May we also had a presentation by Melissa, Beth and John Mullaly on self-advocacy for Quinsigamond Community College. The Central legislative breakfast was May 20th!

We also had a fun Drop In Club.

The theme was Birthdays and Spring! Now, on to summertime!

We look forward to June and July, having warm weather fun and our summer cookout soon! Happy June from Central Region!
