Hello Everyone,

I hope you are enjoying summer. Be sure you mark your calendar for our July 6th Regional Meeting because it will be special. Paula is sharing her video on Bullying. She interviewed friends about their experiences, how they dealt with bullying and what they want the world to know about this issue. It is powerful to witness everyone's stories and strength. As Daysiree said, "There is so much negativity in the world and the only way to combat that is with EDUCATION and LOVE." That's what Paula is planning to do with this video and I hope you will come see her labor of love.

We come together as a region to make a difference and lift everyone up. Wednesday July 6th at 4PM will be my last Regional Meeting as Northeast Regional Coordinator and I do hope you'll say hello to celebrate all of the good work we've done together over the years! It's been a true honor to know each of you and spread the goodness of self-advocacy. I have been lucky to know you and see you change the world day by day. Your stories and wisdom will guide my work as I move on. And I look forward to hearing about what you all do NEXT! -Bridget Crowley
