

Northeast Region

Facilitator: Sam Muench
Email: Sam.Muench@wearemass.org

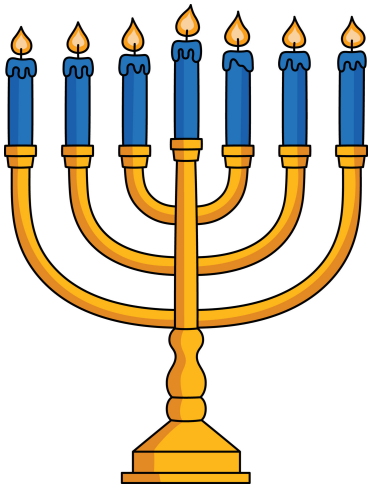

Welcome Northeast to the new year, and to January! As we work on achieving our New Year's resolutions, we should take time to remember the lessons we learned during the holidays. Your presence at Northeast events is itself a great gift to us of the MASS family! Speaking of events…

January is of course the first month of the new year of 2024 - let's all resolve to grow ourselves and our voices as time goes on.

As this newsletter comes out in December 2023, let's also resolve to end this year with a wonderful Northeast Regional event on the **27th of December**! **From 4pm to 5:30pm there will be a regional self advocate meeting, with activities and updates on the future.** On

behalf of the Northeast team, I hope you will be there.

In addition, on January 17th 2024, from 4-5:30pm the first regional meeting of the new year will be held! I hope you will all be there too!
