Happy Pride Month!

Let's all celebrate our LGBTQ+ friends and family!
We are a beautiful community. We deserve to be
loved and we deserve to have human rights!

The poster features a pink header with the MASS logo (Massachusetts Advocates Standing Strong) and a blue title section. Below the title is a graphic of the Earth with stylized human figures in various colors (purple, blue, green, yellow, orange, red) holding hands. The USA map is on the left and Australia is on the right, both with their respective flags. A circular banner around the Earth contains the words: 'Respect Always appreciate Independent Nurture Believe Optimistic Wonderful'. Below the graphic, purple text reads: 'Meet LGBTQ+ self-advocates from all over the United States and Australia. Make friends, play games, and learn about different cultures!' The bottom section is blue with white text: 'June 27th at 5:30-7:30pm Eastern Time' and 'ZOOM ID: 841 2225 3807'. The website 'WeAreMASS.org/rainbow' is also listed.
