

Rainbow has been growing in many ways over the last few years:

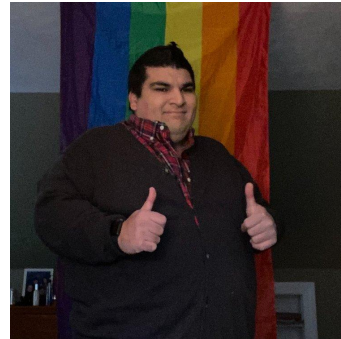

- **Staff:** We have more Rainbow staff! Pauline has hired Rainbow Support Oscar and Rainbow Group Facilitator Fran.

- **Group Members:** Our online virtual group now meets two times every month. This graph shows that over the last two years, more and more people have been coming to our meetings!

- **Videos:** Pauline posted [YouTube videos](#) about Rainbow and LGBTQ+ self-advocates.

- **Training:** Our training all over MA and the rest of the country has been teaching understanding of gender, sexuality, and LGBTQ+ identities. We hope that more and more LGBTQ+ self-advocates are getting the acceptance they deserve.

We hope to see you at our meetings this month. Anyone is welcome!
