What's up Southeast? I hope you're having an awesome month. MASS went to the Arc of Mass Legislative Reception at the State House on March 10, and we had a great time. Congrats to the legislators Senator Joan Lovely and Representative Jay Livingstone!

I went to the Arc 2026 Gala on Thursday, March 26th. They honored Brian Kremer there, and it was well-deserved for Brian! We had a good time, and congratulations to The Arc of Massachusetts for putting on such a great event.

I went to the Vinfen Film Festival on Saturday, March 28th. I watched great films there. I saw “The Row of Life” and “Recovery City”. These films made me feel empowered, and I appreciated the realness of the films. Congratulations to Vinfen once again for putting on a great film festival.

I will also be attending meetings with the Southeast Regional Services (SRS) on 4/21 and 5/12. I look forward to joining in on those meetings.

Stay tuned for updates on my podcast, as we will be changing the format and are working on a new schedule for them.

Our next Zoom Southeast Meeting will be April 2 and then on June 4 will be in person, with the place to be announced.

Upcoming Statewide Drop-Ins will be on:

- Thursday, April 9th from 5:30 – 7:00pm
- Wednesday, April 22, 4:30 – 6:00pm

Have a Great Month!

Al
