

Happy LGBTQ+ Pride Month!

Every June LGBTQ+ people all over the world celebrate being proud of who we are. We also celebrate everything we have accomplished to make the world a better place. We are still working together to fight for the rights of LGBTQ+ people.

We are so proud of all our Rainbow members, and all the other LGBTQ+ people and allies out there.

Virtual Pride Event on June 8th at 5:30-7:30pm ET

We are having a Rainbow Meeting for LGBTQ+ self-advocate groups from across the United States. Please come to this very special event where you can meet LGBTQ+ self-advocates and allies from all over the country! This event will be hosted by Statewide Virtual Rainbow Group Facilitator, Francesco Hladysz.

We will have music and games, and time to get to know groups from other states.
